

STATEMENT CONCERNING THE USE OF COVID-19 SURVEY 1 INTERVIEW DATE DATA, SHARE WAVE 8

To apply for access to SHARE COVID-19 survey interview date data, applicants must complete this form. Only registered SHARE users are eligible to apply for access to this additional data on the COVID-19 survey interview dates. In order to be granted access to the additional data, applicants have to provide a comprehensible justification why access to this data is needed in order to carry out their scientific research. Applicants are only granted access in justified cases.

Personal and professional details *(if handwritten: please use capital letters)*

Last name, first name/s:

Email address:

Institution/organisation name:

Explanatory statement (why data is needed for research)

Please note: If insufficient information is provided further details may be requested. This may delay your application or result in a rejection of the application.

Declarations

Please note: The SHARE Conditions of Use in combination with this statement create a legally binding contract between you and SHARE-ERIC. Please read both carefully.

☐ I hereby acknowledge and agree to carry out work on ALL data of the SHARE project in accordance with the **SHARE Conditions of Use** (available in the currently valid version at <https://share-eric.eu/data/data-access/conditions-of-use>) only. I confirm that I have read and fully understood the SHARE Conditions of Use.

☐ I acknowledge and agree with the following **Citation Duties** concerning the use of SHARE COVID-19 survey interview date data:

When using SHARE COVID-19 Survey 1 Interview Date data in a publication:

- the DOI of the used data set has to be included in the compulsory acknowledgement
- the used data set must be cited in the bibliography.

The respective details (depending on the version of the used data set) are available in the [Data Documentation](#) section of the SHARE website and the [SHARE COVID-19 Survey Release Guide](#).
